Available now · Remote or on-site · Right to work in Spain

PROFESSIONAL SUMMARY

I am a videographer, editor and photographer. Since 2020 I have made brand pieces end to end: idea, script, shooting, editing, colour, sound and Meta ads. I have led teams of up to six people on campaigns for the United States and edited and scripted for a YouTube channel with 2.53 million subscribers. I hold a degree in Multimedia Engineering, so I also design, animate and build websites.

PROFESSIONAL EXPERIENCE

Creative Director, InfraslimX Iberia

Spain | 02/2026 - 06/2026

- Visual line (reels, ads, photo, corporate video) and the team's workflow system in ClickUp.

Videographer & Video Editor, Apache Creative Studio

Valencia, Spain | 01/2025 - 02/2026

- Brand reels end to end: trends, concept, shooting, editing and publishing.
- Camera and lighting on commercial shoots for several brands, in studio and on location.
- Post-production in DaVinci Resolve and Adobe: editing, colour grading and audio mixing.

Lead Editor & Team Coordinator, Creators Nation

USA · remote | 2021 - 2024

- Led teams of 4 to 6 people on brand campaigns, from strategy to final delivery.
- Delivered full campaigns in two weeks (strategy, 5 reels and 1 long-form video) and ran others lasting up to three months.
- Featured campaigns: Dobel × Frieze LA and "¡México de mi vida!" for TJ Sports, backing Mexico's national team on the road to Qatar 2022.

Videographer, Editor & Photographer, Freelance

Spain & remote | 2020 - present

- Bar Billar Bulebu: idea, script, shooting, editing and animation of videos that passed 200,000 views with Meta Ads campaigns.
- AmazingChanges (YouTube, 2.53M subscribers): editing, topic selection and scripts.
- Fashion editorial photography (TRAMA, Eidolon) and maxwellfajardo.com, my trilingual website with automated Instagram replies.

IT Support Technician, Hotel Sallés

Spain | 06/2026 - 09/2026

- User support across the hotel: hardware, operating systems and equipment issues.

CERTIFICATIONS

Drone pilot A1/A3: EU remote pilot certificate, open category · 2026
